The Basics

The Park	Located at 1 S 151 Winfield Road in Wheaton, Illinois, Cantigny's 500-acre park offers educational and recreational experiences for school groups through guided tours of our two museums: the Robert R. McCormick Museum (historic house museum) and the First Division Museum (military museum), and exploration of our gardens and Tank Park.
Grades Served	Field trips are geared for 4th—12th grade students and include 45 minute guided tours of the First Division Museum and the Robert R. McCormick Museum. Lower grades are welcome to visit the park grounds, gardens and tank park, but will not be permitted into the museums.
Admission	Admission to the park is free for students and all accompanying chaperones for a registered, school sanctioned field trip (includes home school communities)
Time Slots	<p>The museums are closed on Mondays, but the park is open and available for self guided outdoor field trips. The entire park is closed in January. In February, the park is open Friday-Sunday only.</p> <p>Field trips visiting both museums are scheduled in 2 1/2 hour time blocks beginning at 9:30 a.m. The blocks are as follows: 9:30- 12:00, 10:00- 12:30, 11:30- 2:00 and 12:00- 2:30. You must be able to stay for the entire time block. See example itineraries on pages 6 and 7.</p>
Group Size	<p>Up to 90 students may be scheduled for each 2 1/2 hour block. This number does not include chaperones. The total number of people allowed per time slot is 100. Larger groups may reserve two back-to-back time blocks or two days.</p> <p>Please divide your total group into groups of no more than 25 before you arrive at the park. Be sure every student and chaperone knows which group they belong in. (Ex. Group 1, 2, 3 or 4)</p>
Chaperones	One chaperone is required for every 10 students. 18+ year old students may not act as chaperones under any circumstance. Students must be accompanied by a chaperone at all times.
Tour Duration	We allot one hour per tour – a 45 minute guided tour of the museum, plus 15 minutes for walking and group organization. Please carefully read our late policy on the following page.
Lunch	Brown bag lunches may be eaten in our picnic area April-October and in our restaurant, Le Jardin, February-March and November-December <u>if no special events are being held</u> . Your lunch location is made at the discretion of Le Jardin Management. Lunch times are assigned based upon your field trip time slot. Box lunches are available for purchase. See page 5 for more information regarding lunch.
Accessibility	The Visitors Center and First Division Museum are fully accessible. The Robert R. McCormick Museum has a ramped entrance to the first floor for wheelchairs and will provide a first floor only tour for any visitor unable to climb stairs. Please note in your registration if you have any students using a wheelchair, or who have difficulty walking or climbing stairs.

Information to Share with Students

- The park is open to the general public during student field trips. Students are expected to demonstrate respect and consideration for other visitors and fellow students during their visit.
- In order to safeguard the exhibits from potential damage, no food, drink or gum is permitted in the museums.

Information to Share with Chaperones

- We ask that chaperones please place themselves at the front and back of the group to help keep the group together and to remain on schedule.
- So that our staff can facilitate an enjoyable and educational field trip, we ask that teachers and chaperones attend to any student discipline issues that may arise.

Late Arrival Policy

Please be on time. Late arrivals will not be guaranteed their scheduled tour. Your start time is clearly indicated in your confirmation form. Please note this time is 30 minutes prior to your first tour time. This allows you enough time for viewing our introductory movie, group organization and walking from the Visitors Center to your first museum.

If you are running late or must cancel, call 630 260 8207 to alert the tour guides and staff.

Late arrivals will not receive a complete tour. Any group arriving at Cantigny more than 20 minutes past their scheduled arrival time cannot be guaranteed a tour at all. Groups arriving at the museums over 15 minutes past their scheduled tour time will be accommodated only if space and time are available.

If your tour is cancelled due to late arrival at Cantigny, teachers will be offered a self-guided outdoor activity to complete while waiting for their second tour time (a Tank Park tour or McCormick Museum architectural tour).

We ask your cooperation so that we may accommodate as many school groups as possible. If you are late, you make other groups late.

Once You Arrive

Upon arrival, your bus will check-in at the front gate and the guard on duty will verify your reservation and alert the museums to your arrival. Your bus driver will temporarily park in front of the Visitors Center (designated bus zone) and the students will disembark the bus and enter the Visitors Center.

A Cantigny employee will greet your group, give you a brief orientation, including providing badges for the teachers and chaperones to wear during your visit, and direct your group into the theater for an 8 minute introductory film (*only if time permits*). After the film, your greeter will ask that you divide your group into the predetermined smaller groups of 25 or less (Ex. Group 1,2 , 3 and 4) and each group will be led or directed to the museum they are visiting first.

Please be sure your chaperones have a map of the park (pick up a Visitors Guide in the Visitors Center upon arrival) and understand where they are going and when and where to meet the group after their second tour.

In Addition to Your Museum Visits

Lunch

Information regarding purchasing box lunches and/or dining at Cantigny can be found on pages 4 and 5.

Tank Park

The First Division Foundation is proud to have 11 tanks in the Tank Park, in front of and alongside of the First Division Museum, as well as an Armored Personnel Carrier and three artillery pieces. They are all inoperable displays of United States Army equipment. Students are encouraged to climb on the tanks and experience them up close. Each tank is labeled with a sign indicating the type of tank, it's weight, years of usage, and number of crew members. A Tank Park map and scavenger hunt are available at Cantigny.org.

Gardens

Explore the stunning sights, tranquil sounds and aromatic scents of Cantigny's Formal Gardens with your students. Created by renowned landscape architect Franz Lipp, enjoy the views of this horticultural masterpiece that include annual and perennial flowers, ground covers, flowering bulbs, and a variety of shrubs and trees from the Midwest.

The Idea Garden, featuring a herb garden, fruit and vegetable gardens and creative flower beds and plantings including a giant chess board and Loch Ness Monster topiary is also a feast the senses. Be sure to stroll through the Rose Garden as well, where you will find 55 varieties of roses. *Please remind students to stay on garden paths and refrain from picking flowers.*

Gift Shop

A gift shop, offering a varied selection of unique items, is located in the Visitors Center. Students are welcome to browse and make purchases after their tours, as long as they are accompanied by a chaperone. We ask that no more than 5 students and a chaperone visit the gift shop at a time. Please encourage the chaperones to assist students in reading prices and assuring they have the correct amount of money before they check out.

Recreation

Games or sports may be played in the large meadow area on the south side of the public parking lot or in the parade field in front of the Visitors Center. A playground and fitness circuit are located in the picnic area. Our 2.5 mile hiking trail is open year round for exploration. Copies of our Hiking Trail /Tree identification Guide may be picked up at the Visitors Center Information Desk. (The Guide is best for use in late spring and early fall, as the trees must have leaves for it to be a successful activity.)

Educational Resources

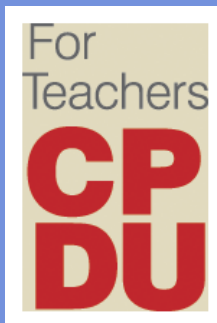

History Trunks

History trunks provide an opportunity for students to handle uniforms and field gear used by soldiers in a specific war. Trunks are available for the American Revolution, Civil War, World War I and II, the Vietnam War and the Gulf War. A teacher's guide is included in each trunk. History trunks may be checked out for two weeks and require a reservation made at least one week in advance.

Resource Packets

A resource packet about D-Day is available by mail. It includes reproductions of photographs, newspaper articles, maps, letters, oral histories, and other primary sources from the battle. The packet also includes class activities for middle and high school students.

To reserve a history trunk or to request a resource packet, please contact Museum Educator Melissa Tyer at 630 260 8274 or MTyer@FirstDivisionMuseum.org

The Cantigny First Division Foundation is proud to announce it is now a professional provider of Continuing Professional Development Units (CPDU) for teachers. These credits are available at selected events either for free or for a small charge.

Small Changes...Big Impact

Cantigny is proud to be part of the international "green" initiative for a healthier planet. We are dedicated to doing everything we can to make our Earth a safer and healthier place to live now and for generations to come.

We can use your help.

Please ask your bus drivers to park and TURN OFF their buses after dropping off the students. Cantigny's parking lots are no-idle zones. In following with House Bill 4782, stationary diesel vehicles of more than 8,000 pounds may not idle for more than 10 minutes. The exceptions to that rule are when it is below 32 or above 80 degrees outside or during an emergency.

Encourage your students to pack zero-waste lunches. Reusable lunch bags or boxes, plastic reusable tubs and reusable water bottles, which the students bring and take home, are great options. Have students consider wrapping sandwiches and other foods in aluminum foil- which can be recycled.

Please use the green recycling bins throughout the park to dispose of paper, plastic, glass and aluminum.
