Cantigny and the Naperville Astronomical Association (NAA) invite you for a night out with the stars!

View planets and stars through various telescopes and learn how to identify star constellations with the naked-eye.

In the Visitors Center:

7 - 9 pm: Make Glow-in-the-Dark Necklaces at the Visitors Center

7:30 - 8 pm: Constellations presentation for the whole family

8 - 8:30 pm: 'Choosing Your Own Telescope' presentation

In the Parade Field:

7:30 - 10:30 pm: Stargazing in the Parade Field

Highlights of the night will be Jupiter, the Moon, globular clusters, nebulae and galaxies. The event will be held rain or shine.
